### The 3 "P's" for a Life-Changing Camp Experience

**PACKING**—Taking the right things to camp is very important. Don't forget your bible, soap and toothbrush! Pack them first. Also, **leave all immodest clothes at home.** Please check out your wardrobe and pack appropriately.

**PARTICIPATION**—Camp is all about having fun! **Decide now before you get to camp that you are going to give 100% of yourself to everything that happens.** Whether it's messy, silly, challenging or moves you out of your comfort zone, just do it! Camp is best when you enjoy the whole experience.

**PREPARATION**—Your bags are packed and your attitude is top notch, but are you ready to hear from God? It's not too early to begin preparing your heart. **Nothing is more important than you allowing God to change you during your week of camp. Begin right now to prepare your heart.**

I, \_\_\_\_\_, want to make camp all that it can be. I will Pack, Prepare and Participate in such a way that my camping experience will be the best ever. I know that failing to follow the three "P's" will cause my camping experience to be less than what it should be and could possibly cut it short.
