

Fellow Church Leaders,

I am contacting you because it is that time of year again, time for us to invest in the future of our great churches and our great Denomination!

We are getting ourselves ready for our District's Children's camp once again and I have sent along some information for you. You should find a few things in this packet:

1: Camp Staff Application

We are always looking for more staff, especially counselors. If you know of someone who is interested (or who you think would be good for the program) please get them the application and have them fill it out. Then send the application to the address listed below.

We are in need of Male counselors again this year

2: Central Registry Clearance Form

Anyone who works at camp with us must have a background check done first. This form must be filled out and taken to the applicant's local DHS office. Have the DHS office send the results to us at the address listed below.

All staff members are required to do a background check this year, regardless of your history with the camp. Any previous background checks you may have completed for camp are no longer valid because we missed two years.

3: Children's application

Please fill this form out for each child who is interested in attending camp. Have the parent, guardian, or pastor fill out the form then send the form and payment (\$140) to the address listed below BEFORE June 25th. When we get the children's applications in early, it helps us greatly with finding them a bed and making sure that we have enough supplies to give them the experience that they deserve.

I hope that you will find a way to encourage the children that you have contact with, to apply and attend camp. We are devoting ourselves to ensuring a lasting camp program and repetitive exposure to the Gospel for the children in our District!

Sincerely His,

Brandon and Sandy Metzger
Children's Camp Directors
