# Our Speaker

Sharon Graves has a nursing degree from Olivet Nazarene University and a heart full of love for her roles as a wife, mother, and proud Gigi to 12 grandchildren.

A teacher at heart, Sharon uses her gift of storytelling to connect with women offering encouragement, inspiration and practical guidance helping women understand and apply God's Word to their often hectic and stressful lives. God is present in every aspect of our lives. We just have to slow down, look around and see. We can discover God's will and purpose for our lives if we just take time to catch a glimpse of Him.

"Enjoying the Journey" has been her theme the last 14 years traveling around the world beside her husband. Now, in her recent retirement, Sharon continues to learn and grow, coming to understand the peacefulness and joy that comes from cultivating a quiet heart in a world that often demands noise and attention. She feels that women everywhere can find calm amidst the chaos through their relationship with God.

In her free time she loves to shop for unique treasures, immerse herself in light novels, capture beautiful moments with her camera, be with family, and Sunday afternoon naps.
