Ladies Retreat With Sue Duffield

The Life of Royalty: Living with the Promise of our Inheritance

Sue Duffield is a singer/songwriter, author, speaker and former radio personality that loves to make people laugh with her off-the wall Jersey logic and sacred sarcasm. Sue is married to her high school sweetheart and lives in Nashville, Tennessee.

The retreat will take us on a fun and faithful journey, looking at what prevents us from living like the Queen we are meant to be; by setting our own direction and practical steps from scripture. We will learn about how our royalty in Christ can feed our fundamental needs in a constructive way or (if we're not careful) - one that can divert us with the distraction of entitlement.

We will learn how to rule our mindset through scriptural application as well as some innovative ways to influence and encourage those around us. Finally, before crafting our vision, we'll be reminded of who we are in Christ and how our core values can act as an anchor and a compass in God's kingdom.

You will not want to miss this special weekend filled with laughter and learning while enjoying Sue's unique style of music and communication.

"For the Kingdom of God is not just a lot of talk; it is living by God's power." 1 Corinthians 4:20
